ADVENT RECYCLED TAPE MEASURE

Available in 5m/16ft & 8m/26ft

FEATURES & BENEFITS

- The recycled packaging reduces environmental impact.
- Made from 100% recycled ABS plastic & TPE (rubber), lowering waste and promotes eco-friendly manufacturing.
- The 100% recyclable design helps minimise landfill waste.
- The metric and imperial markings allow quick measuring in any unit you prefer.
- The 4m blade standout makes long measurements easierwithout the blade bending.
- The 32mm blade offers extra stiffness and clearer, larger markings.
- The nylon armour coating protects the blade from wear and tear.
- The true zero end hook ensures accurate measurements.
- The reverse printed blade allows for reading from right to left.
- The carabiner safety belt clip makes it easy to secure and access the tape on the go.
- Being UKCA and CE approved confirms compliance with strict safety and quality standards.
- The Class II accuracy provides reliable precision for professional and everyday measuring.
